

Community Risk Reduction

The Greater Round Lake Fire Protection District has a number of Community Risk Reduction Programs in place to reduce the impact of local risks in our communities.

Our programs include:

- [Free smoke alarms and installation.](#)
- [Free Lock Box rental program.](#)
- [Public Education.](#)
- [CPR and First Aid Training.](#)
- Stop the Bleed Training.

If you would like more information on any of these programs, fill out the appropriate online form or contact Fire Prevention Officer Bruce M. Hill at [bmhill \[at\] rlfire.org](mailto:bmhill@rlfire.org) ().
